

A PIONEER ICE CREAM SOCIAL

The Leon Valley Historical Society is sponsoring its second Pioneer Ice Cream Social on the historic grounds of the Huebner-Onion Homestead and Stagecoach Stop on Sunday, May 2nd from 2:00pm to 4:00pm. in conjunction with the San Antonio Conservation Society. It is free and open to the public. Free parking is also available at Leon Valley City Hall across the street from the historic site.

Two years ago, the Historical Society celebrated the dedication of the Stagecoach Stop to the National Register of Historic Places and as a Texas Historical Landmark. It was so much fun; we decided to do it again! This year, we hope to make more families aware of this beautiful historic site and its surrounding natural area as a great place for family outings and tours by scouts and other youth groups, as well as a place for older people to hike.

Our second Pioneer Ice Cream Social will have many fun, interesting and entertaining attractions. We'll again have great peach cobbler from the chuck wagon cook, the beautiful home made quilts displayed by the San Antonio Quilt Guild, the farrier who demonstrated his blacksmithing arts, the terrific Bluegrass music from Hank Williams and the Tennessee Valley Authority, and the antics of the trick cowboy roper.

This year we will also proudly display our Molasses Press and the painting by Historical Society member, Emilio Torres showing how the horse or mule driven press actually worked. Local historian Dr. Felix Almarez will be on hand to speak about our history, as well as local and area elected officials.

Come help us celebrate our pioneer heritage. See you there!
